

PREREQUISITES

Preference is given to former participants of a BAMF initial orientation course.

COURSE OBJECTIVE

The aim of the course is to bring literate participants with little previous knowledge of German up to CEFR level A2.

TARGET GROUP

People with language support needs aged 16 and over who do not have access to the BAMF's language support programmes, who are not obliged to take part in an integration course in accordance with Section 44a AufenthG and who are not required to attend school or vocational school.

LEARNING METHOD

You will learn at our local branches. Qualified and experienced instructors teach the language content in a practical way.

TYPE OF DEGREE

A2 certificate

FUNDING

Allocation is made by the cities and municipalities

The language course according to the administrative regulation - German

VWV GERMAN LANGUAGE COURSE

Would you like to live and work in Germany? Do you have little knowledge of German and would like to improve it? The VwV-German language course will help you do this. You will learn how to orientate yourself in everyday life and take part in social life.

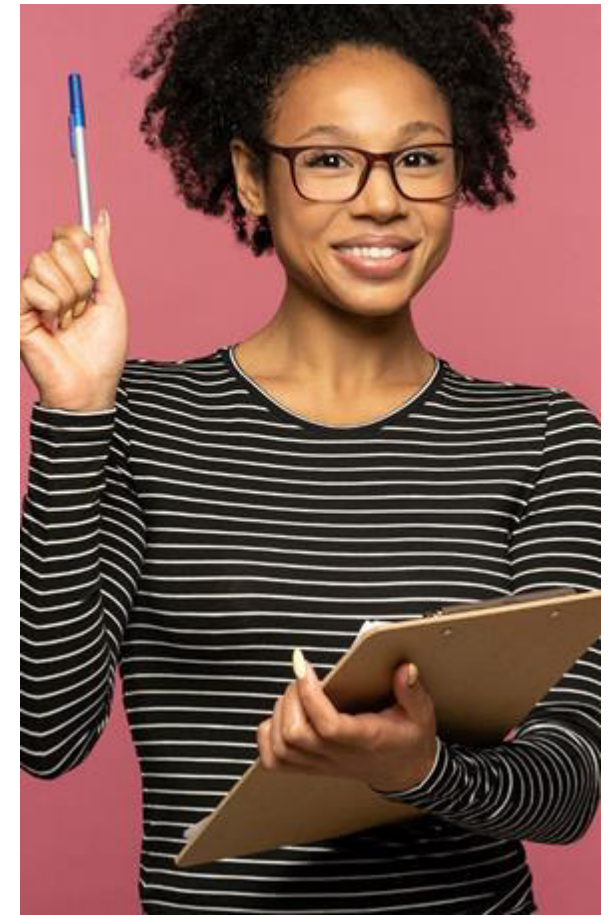

CONTENTS

- Communication in everyday life
- Living
- Leisure activities
- Shopping
- Occupation and everyday working life
- Health and hygiene
- Offices and authorities

By regularly attending the lessons, participants are entitled to take the corresponding telc exam.

BENEFITS

Language skills are the key to successful integration into society. Our language courses support you in this and in entering training or employment.

DURATION

300 lessons of 45 minutes each

We are happy to advise you on the funding options.
