

PREREQUISITES

Language level (min. B1), basic technical and commercial understanding, interest in starting work in the warehouse sector

AIMS

The TQ supports you in entering the profession of warehouse specialist and gives you the chance of a more highly qualified job. Manageable learning phases due to the specialised focus of the individual modules enable flexible learning.

TARGET GROUP

Jobseekers and employees who do not have a vocational qualification or have a vocational qualification in a different field and would like to gain further qualifications and a recognised vocational qualification.

REALISATION

Experienced trainers and instructors teach the course content and support you during the partial qualification.

TYPE OF DEGREE

Nationwide recognised certificate

FUNDING

Eligible for funding through an education voucher, the German Federal and State Pension Insurance Scheme and the Qualification Opportunities Act
